St Mark's School Charity

Who are we?

Wings to Fly is a charity set up and run by Governors/ Parents of St. Mark's School and those within the Hadlow Down community.

We apply for grants and funding to provide important facilities, opportunities and items that a diminishing school budget can no longer afford.

What sort of things do Wings to Fly help with?

Examples of areas we have raised funds for the school include:

- New equipment,

- Support for After school clubs,

- Mental health and wellbeing initiatives,

- visiting artists and writers

- sporting activities.

Find out more ! Visit our website www.wingstofly.org.uk and on the school website. Any questions ask Peter Smyth at smyth594@gmail.com
